

Dear Friend of the Arts,

My name is Jason Robert LeClair, and I'm proud to be the Theatre Director at Beacon Charter High School for the Arts in Woonsocket, where I have the pleasure of working with a dedicated and passionate group of theatre student artists. Our theatre arts program has received national and local recognition, and is a well-known for its professional level, high-quality performances. Our program is also affiliated with the distinguished International Thespian Society, an organization that honors student achievement in theatre. Given that Beacon is a non-profit institution, we depend on community support to fund our performances. With that said, I'm writing to ask you to consider sponsorship, advertising, or donating to Beacon's Theatre Arts program, so that we can continue bringing the community together to celebrate theatre arts, and to showcase the hard-work and talents of our student artists.

To give you an idea of our program's reach, we typically have approximately 60 students involved in a single show, that is a quarter of our school's student population. Beacon's student artists hail from 22 towns and cities across the state, giving potential sponsors and advertisers an expansive target audience. Every year, we put together three productions with multiple performance dates for each show. This year to widen our reach, we've added more performance dates, and we're putting on two family friendly productions this season. We're projecting that our program will bring in more than 1,500 patrons overall this season.

Enclosed here is our support form with sponsorship and advertising options, as well as an option for monetary donations. Any contribution you make to our program is tax deductible, and will support our continued efforts to bring theatre arts to the community. If you'd like to support us, please fill out the enclosed form and return it to:
